## Dress Code

Our uniform company this year is **French Toast**. Please find the most recent French Toast uniform catalog enclosed.

We depend on you, as parents, to ensure that your child (ren) wears his/her uniform. A school uniform has been shown to improve school spirit and morale. It also helps you as a parent to have a swifter before-school-morning.

### General Guidelines:

Students have P.E. daily and as such their shoes must be closed toe. No sandals may be worn. Athletic shoes may be worn. Shoes must be flat; no high heels and no "wheelies" may be worn. Cowboy and other knee high boots may not be worn.

We require that your child's jackets be embroidered with our logo. **At least one red uniform shirt must be embroidered for events and field trips.** The students look great in them and it really improves the uniform look of the school.

All clothes must have a traditional fit, no baggy or sagging fit. No corduroy, faded or torn clothes are permitted.

On field trips, all students must be in full uniform and must wear their red uniform shirt with logo. This is for safety and overall appearance.
